## LFA/RI After-School Program Schedule

### “What Works!”

### Preliminary Schedule

2009 – 2010

Once again, LFA/RI will be hosting a number of afterschool workshops providing professional development opportunities for Rhode Island educators. The program is entitled, “What Works!” Each session will last approximately one and one-half hours, will be free of charge, and provide participants with the opportunity to hear from practioners regarding what works for them and may be a help to you. Each workshop is hosted by a member organization of LFA/RI. More information will be forthcoming in the near future regarding each of the workshops.
