

STUDENT LOAN SOLUTIONS WORKSHOPS FOR UNION MEMBERS

Horace Mann offers a suite of solutions to help union members manage student loan debt.

Come learn about resources that may be available to **remove or reduce** your monthly student loan payments.

Millions are eligible for federal student loan forgiveness, but only a fraction take advantage of it. **As a member of the National Education Association Rhode Island (NEARI)**, you have access to Horace Mann's Student Loan Solutions Workshop where you can learn about options that may be able to help you remove or reduce your student loan payments and redirect any savings to other life goals, such as retirement.

Please join us for an informative workshop, socialize with fellow members and learn more about Horace Mann.
